

About the Retreat Facilitators

Richard and Leona Bergstrom

We are Boomers. We love rock and roll, our grandchildren, travel, and our iPads and Kindle Fires! We desire to make the most of the bonus years God is giving us, utilizing our life experiences, values, passions and priorities. God wants us all to live lives that impact our world for Him.

We have spent 40 years in ministry, in the pastorate, as consultants, writers and speakers. We have researched midlife and aging issues, focusing on the influence this Boomer generation can have for Christ in the world.

That's why we are offering the Re-Ignite retreat at Northshore. We know that those who seek to discover how God has designed them and look for how He can use them will make an impact for Christ now and in the generations to come.

Please join us as we seek God together - and as you discover old truths and dream new dreams!

Re-Ignite Retreat

These are critical and challenging days for adults known as “Boomers.” The leading edge of this generation is beginning to turn the age that society has defined as the time to consider *retirement*. But, not so fast...you aren’t ready to head to a rocking chair just yet. You have experience, vitality, resources, education, time - and a compelling drive to change the world for the better. Interestingly, however, many Boomers have never had the opportunity to truly discover who they are and how God has designed them. Nor have they explored what God wants them to do and be in this new stage of life. Northshore 2nd 1/2 Ministries invites you to participate in a Re-Ignite Retreat where you will have the opportunity to reflect on how God has made you, guided your life and prepared you for a new chapter!
