

## About the Re-Ignite Experience Facilitators

Richard Bergstrom, D.Min., and Leona Bergstrom lead 2nd 1/2 Ministries at Northshore. They are also co-founders of ChurchHealth and Re-Ignite.

They have spent 40 years in ministry; in the pastorate, as consultants, writers and speakers. They believe this generation has the potential to impact their families, communities and the world as individuals grasp how God has designed and shaped each one for his purpose. They have designed the Re-Ignite retreat to be a unique opportunity to take time to reflect on life's journey, explore one's unique design and strengths, and then dream new dreams for the future.

As primary facilitators, the Bergstroms invite you to join them and experience **Re-Ignite** for yourself. [www.Re-Ignite.net](http://www.Re-Ignite.net)

Retreat participants described their experience in ONE word:

# Re-Ignite Experience

These are critical and challenging days for adults known as “Boomers.” The leading edge of this generation is beginning to turn the age that society has defined as the time to consider *retirement*. But, not so fast! Boomers aren’t ready to head to a rocking chair just yet. They have experience, vitality, resources, education, time - and a compelling drive to change the world for the better. Interestingly, however, many have never had the opportunity to truly discover who they are and how God has designed them. Nor have they explored what God wants them to do and be in this new stage of life. The **Re-Ignite Experience** is an opportunity to look back, dream forward, and spend time reflecting on God’s plan. This experience can be truly transformational.
