

About the Re-Ignite Experience Facilitators

We are Boomers. We love rock and roll, our grandchildren, travel, and our iPads! We desire to make the most of the bonus years God is giving us, utilizing our life experiences, values, passions and priorities. We have spent 40 years in ministry, in the pastorate, as consultants, writers and speakers. We have researched and experienced the issues facing others in midlife and in transition. And, we believe that our generation has the potential to truly change the world as we grasp how God has designed and shaped us for his purpose.

The Re-Ignite Experience is a unique opportunity to take the time to reflect on your life's journey, explore your unique design and strengths, and dream new dreams for your future.

We hope that you will join us and experience **Re-Ignite** for yourself.

Re-Ignite Experience

These are critical and challenging days for adults known as “Boomers.” The leading edge of this generation is beginning to turn the age that society has defined as the time to consider *retirement*. But, not so fast! Boomers aren’t ready to head to a rocking chair just yet. They have experience, vitality, resources, education, time - and a compelling drive to change the world for the better. Interestingly, however, many have never had the opportunity to truly discover who they are and how God has designed them. Nor have they explored what God wants them to do and be in this new stage of life. The **Re-Ignite Experience** is an opportunity to look back, dream forward, and spend time reflecting on God’s plan. This experience can be truly transformational.
